ECCELLA

AOL Nap Pod Usage Report
Eccella ERM Augmented Reality Demo
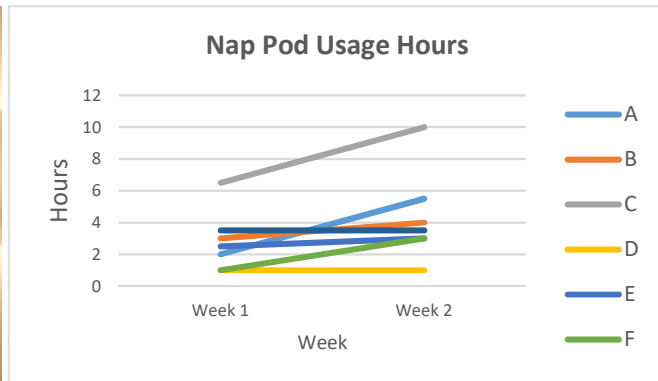

July 21st, 2017

After the initial excitement of successfully finishing AOL Advertising Analytics Minimal Viable Product project has subdued, Eccella received a report regarding alarming level of nap pod usage by an employee over two weeks. Nap pod usage history data has been pulled and thoroughly investigated to find out who has developed excessive bond to AOL's nap pod.
Week 1 Data

Employee	A	B	C	D	E	F	G
Hours	2	3	6.5	1	2.5	1	3.5

Nap Pod Usage Hours

Week 2 Data

Employee	A	B	C	D	E	F	G
Hours	5.5	4	10	1	3	3	3.5

Based on the usage data, personnel 'C' seems to be the one who took advantage of nap pod a little too much. However, this report is supposed to be confidential and anonymous. Therefore the identity of personnel 'C' will not be shown to readers unless...
